Message from Barry Allen re SPONSORSHIP----- PHIL HOFFMAN TRAVEL

We would all be aware that the travel business has been decimated

Since Covid.

Hoffmanns have been sponsoring our Club for the past 7 years with 2 signs and donations to some tournaments.

They are now back to one sign, and their travel display in the Club foyer.

Their sponsorship offer to us is to pay us 1% of all sales that they get from members or family or friends from our Club. They must be made aware of the relationship with our Club and advised when bookings are made so they have it recorded, and it will be paid on a twelve-month record.

Our Club is one of 8 that they have retained out of 35 they were sponsoring.

We have agreed to go along with them for twelve months to be reviewed this time next year.
